Mr. John Allen Chalk
542 North Washington Avenue
Cookeville, Tennessee

Dear Brother Chalk:

We called Brother Wesley Flatt, Sr., relative to handling the paper work for your Bond Issue, and he indicated ~~at~~ that time that you would be in touch with Progressive Plan. He did indicate, however, that they were not ready, as yet, so I am sure that this is causing the unusual delay. We surely do not want to be causing the delay, hence this is the reason we did not reply to your letter sooner, as we were expecting to hear from you. Would you please advise relative to same, or call us collect.

It is respectfully suggested that we will do the paper work, or any part of the work to formulate a successful Bond Program for Broad Street. Just advise and we will quote on any plan we offer.

I am not sure about the Riverdale meeting, next year. We suggest, that if they do not plan a meeting, we will again request that you plan to come to Huber Heights in the fall of 1964. We would like to be sure that Riverdale is aware of the plans tho. We ask that you advise, as soon as possible, so our plans for 1964 can be formulated.

A committee has been selected for adding on more classrooms for Huber Heights, so as to be ready for Vacation Bible School next summer. Our attendance has been good and the attendance, or rather contributions have been good also. It looks like we will set budget at \$400.00 per Sunday for 1964.

We will be looking forward to hearing from you immediately.

With kind regards, I am,

Yours very truly,

R. E. Hartmann
President
